RE: GRAMA Request for Records

Dear Mr. Musgrave:

The Utah Department of Public Safety (DPS) recently received your records request for documents related to the purchase, research, or use of aerial drones. The release of records you have requested is governed by the provisions of the Government Records Access and Management Act (GRAMA) found in Utah Code Ann. § 63G-2-101 et seq.

DPS reviewed its records and found none that correspond to your request.

You have the right to appeal this decision within 30 days. Any appeal should be directed to Commissioner D. Lance Davenport, 4501 South 2700 West, Salt Lake City, Utah 84114.

Sincerely,

A handwritten signature in cursive script that reads "Dwayne Baird".
